EDUCATION

B.E. (NIT Raipur), M.Tech. (IIT Kanpur) & Ph.D. (IIT, Raipur)

CAREER

Dr. B.K. Dutta graduated from NIT Raipur, completed his postgraduate studies at IIT Kanpur, and earned his doctoral degree from IIT Bombay. During his 46-year career with DAE, he served in various Scientific-Officer grades, including as Distinguished Scientist. He also held several prominent positions, including Head of the HRD Division at BARC; VC(O), Senior Professor, Dean, and Chairman of the Board of Studies at HBNI; and Raja Ramanna Fellow and Institute Chair Professor at DAE. He was a visiting scientist at MPa Stuttgart and a visiting professor at Ohio State University. He represented India at the IAEA and other international meetings on nuclear safety. Dr. Dutta brings extensive experience as a researcher, academician, and engineering practitioner. Dr. Dutta has published more than 300 research papers, including over 130 peer-reviewed articles in international journals, and has guided thirteen PhD and fifteen M.Tech. students. He edited a book published worldwide by Taylor & Francis (UK) and authored several book chapters, including one published by WIT Press (UK). He was invited to edit two special issues published by the Indian Academy of Sciences and the International Journal of Nuclear Engineering and Design and serves on the editorial boards of several journals. Dr. Dutta is an internationally recognized expert in nuclear structural safety. He is a former president and current lifetime

From college days to today

A photograph with Dr. A.P.J. Kalam and Dr. S. Banerjee taken in Ashoka Hotel, New Delhi, when I chaired a very prestigious international conference...

GOLDEN JUBILEE

50 years later,
the memories remain.

With warm regards to every member of the batch.
